

RAMCO  
GROUP

FORWARD TOGETHER **IMPACTING LIVES IN EAST AFRICA**

EXPANDING HORIZONS  
ACROSS EAST AFRICA. **SINCE 1948**

It was in the mid 1940s, when our story got seeded by the arrival of Rambhai Patel in Kenya from India. The journey then took off with the founding of a small hardware store in downtown Nairobi in 1948. What started as a humble venture soon became a foundation of the growing Kenyan community, adapting and thriving alongside it.

With each passing generation, the legacy evolved, infused with fresh skills and cutting-edge technology. These weren't just business transactions; they were family commitments to excellence. It's this unwavering dedication that transformed our modest hardware store into the powerhouse known today as the Ramco Group, standing tall as a beacon of success in East Africa.

With over 40 companies under our belt, a workforce of over 4,000 dedicated individuals, and a staggering annual turnover of USD 400 million, we've forged a path of innovation and prosperity.

Our diverse portfolio spans across vital economic sectors; from building materials to printing and packaging, manufacturing to services, IT solutions, and beyond.

Join us as we continue to shape the future, fueled by our rich history and driven by a relentless pursuit of greatness. Ramco Group: Forward Together, bridging tradition with innovation, and transcending the limits of success.

**BUILDING A  
BETTER TOMORROW**

## OUR **VISION**

To be the leading conglomerate in Africa through the provision of innovative and future forward solutions.

## OUR **PURPOSE**

Forward Together, Impacting Lives in East Africa.

## OUR **PHILOSOPHY**

We encourage, we support, we grow by powering each other's strengths.

## OUR **CORE VALUES**

Courage

Honesty & Integrity

Innovation

Commitment

FORWARD TOGETHER  
IMPACTING LIVES

Join us as we stride forward together towards building stronger communities and a brighter world. At our core, we are committed to empowering local communities, ensuring collective progress towards a shared future. Our community outreach initiatives are built on four pillars: **Education, Health and Sanitation, Empowerment, and Environment.**

## EDUCATION

In the realm of education, we recognize its transformative power therefore and offer school bursaries, internships, as well as co-curricular sponsorships to students across East Africa.

## HEALTH AND SANITATION

We strive to enhance access to better healthcare and sanitation by donating water tanks and ambulances, bridging critical gaps in underserved areas.

## EMPOWERMENT

We improve lives through feeding programs and various initiatives that serve the most vulnerable in our communities, fostering hope and ensure a brighter tomorrow for all.

## ENVIRONMENT

Environmental sustainability lies at the heart of our operations. We have sustainable business practices that champion environmental protection through regular tree-planting initiatives, and office grounds beautification projects.

A still life composition featuring a glass bottle, a paper cup, a green leaf, and a coiled rope, all resting on a textured brown surface. The glass bottle is on the left, the paper cup is on the right, and the green leaf is in the background. The coiled rope is in the center. The background is a textured brown surface.

OUR JOURNEY  
TOWARDS A  
**SUSTAINABLE FUTURE**

Our manufacturing subsidiaries are dedicated to incorporating eco-friendly practices as part of our commitment to environmental stewardship. From utilizing biodegradable materials to implementing recycling programs as well as adopting eco-friendly packaging solutions, we strive to minimize our environmental footprint.

By embracing technological innovation, we leverage cutting-edge advancements to reduce wastage and optimize resource utilization across our operations. Looking ahead, we're excited to continue with more tree planting exercises, furthering our mission to preserve and protect our planet for generations to come.
